SPECIAL BULLETIN

HOV Lane Improvement Project Requires Overnight Closure - Thursday, Sept. 15

Drivers asked to plan ahead when traveling on the Loop 101 in the West Valley

As work continues on the Loop 101 (Agua Fria Freeway) HOV lanes, drivers should be aware of the following closure:

- Eastbound Loop 101 will be closed between 51st and 19th avenues from 9 p.m. Thursday, Sept. 15 to 5 a.m. Friday, Sept. 16 for sign installation. This will also require closing the eastbound Loop 101 on-ramps from 67th to 35th avenues as well as the ramps to I-17 from Loop 101. DETOUR: Use the frontage (Beardsley) road to access Loop 101 at 19th Avenue. For access to I-17 use Deer Valley Road or Yorkshire Drive.

A full listing of restrictions and detours, as well as additional information on this project, can be found at www.valleyfreeways.com/aguafriaclosures or call 1-855-712-8530 with questions or comments.

Ease the commute for your family and friends ... please share this email with others who use this Valley freeway! ADOT appreciates your patience and cooperation during freeway construction and maintenance projects.
